You're Invited – On SHED NIGHT blokes get together for a great time

Bring a Mate, your Son, have a feed and meet some great men. Join us for a WINTER ROAST DINNER with PLUM PUDDING & drinks and hear David Lowe and other guys speak about a WORKING Local SHED in which blokes work and enjoy using their skills together to build and repair things for worthy causes - while sharing in life's journey and mateship as they go.
