

Principal's Message

Athletics Carnival

The carnival at O'Quinn Street Oval was a great day of competition and participation. I was very impressed to see students having a go at all events and encouraging one another so well.

I appreciate the positive feedback I have received from parents who commented on the great atmosphere of the carnival, and appreciation of how the GCS staff talk to students and give encouragement and praise for their efforts.

Thank you to Mrs Kristy Agnew for convening the carnival so successfully, all staff for their effort in setting up, officiating and packing up, and for the parents who stepped in to assist when volunteers were needed.

Athletics Day Presentations

The carnival team trophy, age champion medallions, event ribbons and participation certificates will be presented at assembly on Monday 31 July.

Woolworths Earn & Learn Stickers

For those of you who shop at Woolworths, you may already have collected stickers for the Earn & Learn program. Outside of the stores, there are school boxes for the stickers to be dropped in. However, as we have families from all parts of Toowoomba, with different Woolworths locations, please send stickers in to the school office.

When the stickers are collected, we will claim some free resources for our school.

If you have any family or friends who are not connected to a school, you may ask them for their stickers too!
